

## Submerging Inferno

Men of Myth: Book One Brett Wright and Finn de Morisco come from vastly different worlds. Disowned by his family for being gay, Brett builds both a life on his own terms and walls around his emotions. But nothing can prepare him for the evil that stalks him in the night or from discovering the dark secrets of his heritage.

The youngest of a doting family, Finn lives a sheltered life that allows him to trust easily and makes him quick to jump to the rescue. While using his knowledge of the supernatural world to help Brett uncover the truth of his ancestry, Finn learns nothing in life is as simple and risk-free as he believed. New knowledge comes with a price—one that may prove too high for them to pay. 3rd Edition
