

A very funny Christmas novel, from the bestselling author of No-One Ever Has Sex on a Tuesday and Single Woman Seeks Revenge. There comes a time in every woman's life when the only answer is to marry George Clooney. For Michelle, that time is now. Slogging her guts out in a chicken factory, whilst single-handedly bringing up a teenager who hates her, is far from the life that 36-year-old Michelle had planned. But marrying the most amazing man on the planet by Christmas could change all that, couldn't it? Sometimes your only option is to dream the impossible - because you never know where it might take you... This is a fun, completely fantastical novel featuring George Clooney, and has not been authorised or endorsed by the wondrous man himself.
