This bundle includes the next three books in Morgan Rices #1 Bestselling fantasy series THE SORCERERS RING (A CRY OF HONOR, A VOW OF GLORY and A CHARGE OF VALOR). These three bestselling novels are all here in one convenient file and offer a great next step deeper into the world of the SORCERERS RING series. Over 200,000 words of reading, all for an incredible price! It also makes the perfect gift! THE SORCERERS RING series tells the epic tale of the coming of age of Thorgrin, a special 14 year old boy, the least loved of his father, as he strives to become a warrior in the magical Kingdom of the Ring, and as he learns he has powers, and a destiny, he does not understand. An outsider, he must fight for acceptance as he strives to join the Kings elite Legion, and as he falls in love with the kings 16 year old daughter. Most of all, he must learn who he really is, why his destiny is so important, and why the entire fate of The Ring depends on him. In Books #4, #5 and #6, the tale continues. In A CRY OF HONOR (Book #4 in the Sorcerers Ring), Thor has returned from The Hundred as a hardened warrior, and now he must learn what it means to battle for his homeland, to battle for life and death. The McClouds have raided deep into MacGil territory deeper than ever before in the history of the Ring and as Thor rides into an ambush, it will fall on his head to fend off the attack and save Kings Court. In A VOW OF GLORY (Book #5 in the Sorcerers Ring), Thor embarks with his Legion friends on an epic quest into the

vast wilds of the Empire to try to find the ancient Destiny Sword and save the Ring. Thors friendships deepen, as they journey to new places, face unexpected monsters and fight side by side in unimaginable battle. They encounter exotic lands, creatures and peoples beyond which they could have ever imagined, each step of their journey fraught with increasing danger. They will have to summon all their skills if they are to survive as they follow the trail of the thieves, deeper and deeper into the Empire. Their quest will bring them all the way into the heart of the Underworld, one of the seven realms of hell, where the undead rule and fields are lined with bones. As Thor must summon his powers, more than ever, he struggles to understand the nature of who he is. In *A CHARGE OF VALOR* (Book #6 in the Sorcerers Ring), Thor continues on his quest, deeper into the Empire, to retrieve the stolen Destiny Sword and save the Ring. As he and his friends meet unexpected tragedy and lose a member of their close-knit group, Thor and his remaining friends become closer than they ever were, learning that they must face and overcome adversity together. Their journey takes them to new and exotic terrains, including the desolate Salt Fields, the Great Tunnel, and the Mountains of Fire, as they face a host of unexpected monsters at every turn. With its sophisticated world-building and characterization, *THE SORCERERS RING* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. Books #7--#12 in the series are now also available, individually and in bundles!
