101 More Improv Games for Children and Adults: A Smart Fun Book for Ages 5 and Up is the follow-up to Bob Bedore's popular 101 Improv Games for Children and Adults. This sequel takes us even deeper into the craft of improv—the magical art of creating something out of nothing with all new games! Author Bob Bedore emphasizes how you can use improvisation, creativity, and teamwork any time, any place, to get your imagination flowing, win over a crowd, or be a wittier conversationalist. Actors and improv students will appreciate the author's fun, down-to-earth approach to developing theater craft. And improv isn't only for serious thespians. Used as a classroom activity, it teaches kids how to have fun, relax, and work together without seeming like an educational tool at all. Great on its own or as a companion to Bedore's first book, 101 More Improv Games for Children and Adults is centered around entertaining an audience and creating memorable scenes. This sequel includes information on how to produce your own improv show. 101 More Improv Games for Children and Adults is full of wacky and brilliant activities for kids, teachers, actors, comedians, improv groups, or anyone else.
