

The Book of Nonsense (Sacred Books, Vol. I)

Before there were books, there were Words of Power, and those who spoke them could rule the world...Dexter and Daphna Wax don't quite fit in, even with each other. She loves reading and he loathes it, but neither is pleased by their special thirteenth birthday gift: a ruined old book full of nonsense. But the moment it enters the twins' lives, bizarre things begin to happen. Why is their father, who found the book, suddenly so distant? Is the old man who took it from him some kind of hypnotist? Why is a giant, red-eyed boy stalking them? Now Dex and Daphna have to work together to stop the old man from ruining their lives. But as they unravel the secrets of The Book of Nonsense, they will discover the truth about their own extraordinary destiny.
