

Flight to Canada

Brilliantly portrayed by a novelist with a talent for hyperbole and downright yarning unequalled since Mark Twain, (Saturday Review), this slaves-eye view of the Civil War exposes Americas racial foibles of the past and present with uninhibited humor and panache. Mixing history, fantasy, political reality, and comedy, Ishmael Reed spins the tale of three runaway slaves and the master determined to catch them. His on-target parody of fugitive-slave narratives and other literary forms includes a hero who boards a jet bound for Canada; Abraham Lincoln waltzing through slave quarters to the tune of Hello, Dolly; and a plantation mistress entranced by TVs Beecher Hour. Filled with insights into the political consciences (or lack thereof) of both blacks and whites, Flight to Canada confirms Reeds status as a great writer (James Baldwin).

Buy airline tickets, find cheap airfare, last minute deals and seat sales with Air Canada. Book hotels, cars and vacations with Air Canada Vacations. Searching for flights to Canada?
