

## Crimson Sin (Rebel Heart Book 1)

Book 1: Spike has never been big on destiny. Too much pressure and its a little cliché. Spike is a nephilim, half human and half angel. Destiny might as well be her middle name. Like all nephilim, she must choose: serve the light or the dark. Spikes also the feisty guitarist for Crimson Sin. Shes got a werewolf best friend, a penchant for partying and a problem with commitment. Shes reluctant to make her choice, until she meets Rowen. The captivating bass player is her competition in the annual Battle of the Bands contest. Hes also a nephilim and he doesnt even know it. His only flaw is his best friend, Arrow. The arrogant, drug dealing frontman is a dark nephilim. Its Arrows job to recruit Rowen for the dark and Spike is getting in his way. Arrows shady agenda will challenge Spike to discover who she really is, and it will change her forever. Destiny is a bitch. This series is a spin off from the Alexa OBrien Huntress series, though each series stands on its own.
