When a woman loves a Dragon, that love will change the world. Six years have passed since Hualiamia and Grandion defied the Island-Worlds most sacred law. They burned the heavens together as Rider and Dragon. For his crime, Grandion the Tourmaline Dragon suffered exile and imprisonment. The Dragons forced Hualiamia to forget her past. Now, the suns must set upon the age of the Ancient Dragons. Amaryllion Fireborn, last of his kind, bequeaths Hualiamia an astonishing legacy. She is the Dragonfriend. Raised by Dragons. Burned by Dragon fire. Oath-bound to a Dragon. Crossing the Island-World in search of her Dragonlove, she will forge an indelible mark upon history. As war between Dragons and Humans engulfs the Islands, Hualiamia must unravel the secrets of her tragic past in order to confront an evil that threatens the very existence of the Dragonkind. For love that is tested in the crucible of fate must burn, or die.
