

Dead Souls (Soul Hunters) (Volume 5)

For two years, Kaylie Hart has mourned the death of her entire family. She buried them, grieved them, and started her life over without them. But then her brother, Lincoln, comes back from the dead. He faked his death to protect her, to keep their family secret buried. But Kaylie quickly learns that he has been keeping even more secrets. Not only that, but her friends have been lying to her, too. As Kaylie learns the truth about her family, she also faces the painful truth that she is madly in love with fellow Hunter, Rafe. But their time together is running out. Just when she starts to accept their situation, her friend, Hope, is pulled into the deadly Hunter world and Kaylie helplessly faces the possibility that she may have to kill her best friend.
