Its been four weeks since Ember Brycin witnessed what her powers are capable of. What theyre calling the Electrical Current Storm (ECS). It has turned the entire state of Washington into a third world country and Ember is the one who caused it. Something shell have to live with every day. Those people who were unable to escape either turned quickly into gangs or live in shelters. Ember, on the other hand, cant do either. With a price on her head and a Dark Dweller on her ass, she is constantly on the move. Both fae and demons are hunting hereach for their own purpoto use her as a weapon or a pawn in the war between the Unseelie King of the Dark and the Seelie Queen of the Light. Em needs help but she doesnt know who to trust: Torin, the Seelie Queens personal knight, who has sworn to keep Em safe? Or Eli, part of the Dark Dwellers, whom she has an undeniable, intense connection? No matter what she chooses she will probably loseher life or everything and everyone she loves. Between the Light and Dark there is Emberthe Fire. Either she will light the way or burn it to ash.
