The Strangest Things Happen When You're Dead. - May Elizabeth Trump. The deathly silence is about to be broken. She disliked the company of others and death did little to warm her spirit. She had led an independent life and she faced death in much the same way. She was finally alone, finally free from the mindless babble of others, at least that's what she thought. May Elizabeth Trump was the rarest of spirits and she was none too happy about it either. She was a dead medium, a ghost who can speak with the living, and her services were to become in great demand. Flung into the limelight and smothered with unwanted attention, May soon discovers that it's not only ghosts with long-awaited messages that have taken an interest in her. Something dark was lurking in the shadows, stalking her. Even the dead are not left to rest in peace. Dead Medium: A humorous, character-driven story and a unique vision of life after death.
