Love me and you, even you, will tell no difference between illusion and reality, for in this case they are one. -- from *Delusions Master*

*Delusions Master* is the third book of the stunning arabesque high fantasy series *Tales from the Flat Earth*, which, in the manner of *The One Thousand and One Nights*, portrays an ancient world in mythic grandeur via connected tales. Long time ago when the Earth was Flat, beautiful indifferent Gods lived in the airy Upperearth realm above, curious passionate demons lived in the exotic Underearth realm below, and mortals were relegated to exist in the middle. Chuz, Prince Madness, third of the Lords of Darkness -- beauty on one side, foul corruption on the other -- takes pity on the world. In his gentle soft embrace mortal minds repose in a tide of illusion and twisted desire. Yet no one is immune from the sweetest madness of all, and even immortals fall at the cast of the bone dice... Come within this ancient world of brilliant darkness and beauty, of glittering palaces and wondrous elegant beings, of cruel passions and undying love. Discover the exotic wonder that is the Flat Earth.
