

Soulsnatcher

2nd Place Winner - 2014 Book of the Year
- The Drunken Druids International Book Award. Children with extraordinary psychic powers are being used as pawns in a deadly supernatural war. Jasmine Jazz Tandy and her nine-year-old son Chaz, who can heal people with his touch, are fleeing from a ruthless organization that kidnaps these children. Kaylee Daley can control and manipulate plant life. Mara Fleming can see into the future. Their only hope for salvation is a covert group called the Guardians, who protect these children from the organizations merciless hunters. Dr. Larssen Sossnacher, the organizations leader - called Soulsnatcher by the remarkable children he abducts and exploits - believes Chaz is the miraculous prodigy who will grant him the immortality he craves... and hell stop at nothing to get Chaz. Cody Jackson, a Guardian and martial arts and weapons expert, rescues Jazz and Chaz from Soulsnatchers hunters and takes them to Homestead, a safe haven where the children learn to use their powers to help others. But Soulsnatchers hunters raid Homestead and battle the Guardians in a surreal deadly showdown - with the souls of all the children as the ultimate prize.
