

Doorway to the Soul: How to Have a Profound Spiritual Experience

Throughout the ages, human beings have searched for the key to the mystery of life. In *Doorway to the Soul*, distinguished spiritual psychologist Dr. Ron Scolastico shows that the key is in your hand. It is the power of your consciousness. This inspiring book will teach you how to use the key of consciousness to unlock the secrets of the spiritual dimensions of reality. Dr. Scolastico has experienced these dimensions thousands of times and from these experiences, he gives a potent, step-by-step method for inwardly exploring the very foundations of existence. He shows you how to discover the true meaning and purpose of life through an inner engagement with the spiritual forces that sustain life on earth. Combining deep psychological insights with profound spiritual guidance, this book can help you heal painful mental and emotional patterns that block your personal and spiritual growth. It shows you how to deepen your love for yourself and others. It can lead you to enhanced creativity and strengthened intuition. Above all, it will teach you how to have a profound experience of spiritual realities. *Doorway to the Soul* profoundly addresses the deep hunger for love, connection, and spiritual experience that many feel in this period of time. Jack Canfield, coauthor of *Chicken Soup for the Soul* I have never believed that we are just dropped off here on earth. *Doorway to the Soul* reminds me of the truth of our spiritual origins. When I read this book, my heart and mind were deeply touched. Les McCann, jazz musician Dr. Scolastico's book helps you feel the magnificence of yourself as an eternal soul, and as a vibrant human being. It takes you on a personal journey toward your larger existence, revealing your purpose on earth, and giving you ways to fulfill that purpose. Louise L. Hay, bestselling author of *You Can Heal Your Life*
