

Book Sidekick - Ive Got You Under My Skin (Unofficial)

WARNING: This is an unofficial reading sidekick designed to heighten your enjoyment and understanding of *Ive Got You Under My Skin* by Mary Higgins Clark. Do not buy this sidekick until you first have a copy of the original work. BookBuddy is an imprint of BookScribed, an independent digital learning company with a mission to bring the joy of reading and insightful discussion of todays best novels to readers everywhere. As you read the original work, our sidekick is the perfect complement. Jam-packed with astute analysis and delicious commentary, it will help you escape into a deeper reading experience. The list of bestselling novels from Mary Higgins Clark is vast, and along with her success with a historical novel, short stories, a memoir, and even childrens books, you have an author that has sold over 100 million copies in the U.S. alone. Our sidekick to *Ive Got You Under My Skin* even details a few of her other works as recommended reading: *Where are You Now?* and *Remember Me*. Clarks star in this latest novel is Laurie Moran, a woman whose husband was killed five years ago. The only one who saw the killers face? Lauries toddler, Timmy, with whom the killer left a message: Tell your mother shes next, then its your turn, Our sidekick to *Ive Got You Under My Skin* breaks down the events into easily digestible nuggets. We analyze the plot, the main characters, the setting, and even the themes that run throughout the novel. One theme discussed in detail is the buried past that lies within each character. Laurie now faces another murder as the producer of a new television show. Her series launches with the re-opening of a cold case, with the help of the survivors of that deadly night, but their hidden secrets may be the real stars. Close our expert analysis of *Ive Got You Under My Skin* with some thought-provoking book club questions to consider. BookBuddy is not affiliated with
