

Slabs tavern is the roughest bar in Zelloque, frequented by pirates, slavers, thieves, and other less savory patrons. Its also haunted ... and you never know who--or what--will show up. After the destruction of the city of Zelloque (as chronicled in Betancourts novel, The Blind Archer), Slabs Tavern is left a mess. Whats a sturdy tavern-keeper to do but make the best of things ... and try to open up again? This is the final Slabs Tavern story.
