

(technically) DEAD (DEAD(ish) Book 2)

Coopers dead. But whats a nerd to do when Heaven doesnt believe in technology, and hells hotter than an overclocked CPU? Panicking and running away back to Earth seems a perfectly logical reaction, especially since his beloved computer hasnt come with him. Of course, what to do then is a bit of a puzzle that only Linda can solve...This is a very short book - novelette length - around 10 000 words or 40 (print) pages.Warning: Contains frequent foul language, adult themes, nerd-speak and Aussie insults. Not suitable for children.
