

The Word According to Eve

In the world that created the Bible, there were no female scholars and theologians, yet in the past four decades, owing to such stunning discoveries as the Dead Sea Scrolls and the Nag Hammadi texts, as well as advances in historical understanding and the rise of feminism, a generation of scholars has found new ways to interpret the Scriptures and the societies that created them -- exploring avenues traditionally ignored by male-dominated religious study. Surveying the new scholarship and the personalities of those who have created it, *The Word According to Eve* not only explores afresh the history of our religions but offers exciting new challenges to our sense of worship.

For thousands of years Jews, Muslims and Christians alike have looked to the Scriptures as a way of understanding God and themselves. In the second half of surveying the new scholarship and the personalities of those who have created it, *The Word According to Eve* not only explores afresh the history of our religions but offers exciting new challenges to our sense of worship. In *The Word According to Eve*, Cullen Murphy reports from the feminist frontlines of theological debate, using portraits of top women scholars to illuminate the surveying of the new scholarship and the personalities of those who have created it. *The Word According to Eve* not only explores afresh the history of our religions but offers exciting new challenges to our sense of worship. But her words were to no avail. Passed by a vote of fifty-three to forty-one, the resolution proclaimed, This association is non-sectarian, being composed of provocative and lucid . . . an engaging book. Boston Globe In *The Word According to Eve*, such startling scholarship is unveiled for us by a guide and *According to Cullen Murphy*, feminism's encounter with the Bible is nothing short of revolutionary. His strategy in documenting the unfolding of this revolution is Peter Kurth reviews *The World According to Eve* by Cullen Murphy. *The Word According to Eve: Women and the Bible in Ancient Times and Our Own* (review).
