

## The American Scene (Illustrated)

CONSCIOUS that the impressions of the very first hours have always the value of their intensity, I shrink from wasting those that attended my arrival, my return after long years, even though they be out of order with the others that were promptly to follow and that I here gather in, as best I may, under a single head. They referred partly, these instant vibrations, to a past recalled from very far back; fell into a train of association that receded, for its beginning, to the dimness of extreme youth. One's extreme youth had been full of New York, and one was absurdly finding it again, meeting it at every turn, in sights, sounds, smells, even in the chaos of confusion and change; a process under which, verily, recognition became more interesting and more amusing in proportion as it became more difficult, like the spelling-out of foreign sentences of which one knows but half the words...
