

Willow Witch (For Queen And Country Book 2)

Continued from book 1 After fleeing from the burning ruins of Saardam, Johanna, Prince Roald, Loesie and Nellie have been captured by a group of bandits and are being taken to a place unknown through a forest rife with magic. Loesie, struck mute by an unknown but powerful sorcerer, is behaving increasingly strange. The friends try to escape, but is Loesie helping them or is she a danger to them? Every step they take through the ghost-ridden forest brings them closer to the duke who is rumoured to be the source of the evil magic, the necromancer whose anger against Saarlands royal family has lain the world to waste.
