

The Collected Poetry of Robinson Jeffers: Vols. I-V, The Complete Set

Robinson Jeffers (1887-1962) is not only the greatest poet that California (and indeed the American West) has produced but a major poet of the twentieth century who occupies a prominent place in the tradition of American prophetic poetry. Now, for the first time, all of Jeffers's completed poems, both published and unpublished, are presented in a single, comprehensive, and textually authoritative edition of five volumes, here available as a set.

Human consciousness needs integration with the whole self consciousness
