

It would be hard to imagine any creators who have more greatly affected their chosen medium than Will Eisner and Frank Miller have influenced the world of comics and graphic novels. Often misunderstood, but enduringly enjoyed by people from all walks of life, the comic book has in recent years been recognized as a legitimate art form by cultural institutions ranging from Harvard University to the Smithsonian, from *The New Yorker* to the Art Institute of Chicago. Now, culture-curious readers and life-long fans of the comics medium are invited to read along as two of the medium's greatest contributors—legendary innovator and godfather of sequential art Will Eisner, and the modern master of cinematic comics storytelling, Frank Miller—discuss one on one in an intimate interview format, the ins-and-outs of this compelling and often controversial art form. *Eisner/Miller* is profusely illustrated and features rare, behind-the-scenes photos of Eisner, Miller, and other notable creators.
