

Legally Undead (Vampirarchy) (Volume 1)

A reluctant vampire hunter, stalking New York City as only a scorned bride can. Elle Dupree has her life all figured out: first a wedding, then her Ph.D., then swank faculty parties where she'll serve wine and cheese and introduce people to her husband the lawyer. But those plans disintegrate when she walks in on a vampire sucking the blood from her fiancé, Greg. Horrified, she screams and runs not away from the vampire, but toward it, brandishing a wooden letter opener. As she slams the improvised stake into the vampire's heart, a team of black-clad men bursts into the apartment. Turning to face them, Elle realizes Greg's body is gone and her perfect life falls apart.
