

# The Survival of Marvin Baines

Be careful what you wish for...Marvin Baines seemingly has it all: a loving family and a great job. He is about to turn forty, and just like that, the realization hits him--his own mortality is straight up the road. That's not his only problem. Suddenly he is unable to distinguish fantasy from reality, and his often quirky decision-making causes his whole life to begin to unravel. All he wants is an escape from his humdrum life. What he gets is something quite unexpected. This book will stick with you like a healthy meal leaving you feeling pleased with yourself for eating, savoring, and thinking... (Karen Luellen) From the author of the rollicking romp THE FAMOUS UNION.

The humour is well-judged and never forced, and overall The Survival of Marvin Baines is a highly recommended tale of mid-life dysfunction. - Indie Book Spot. I have this battle all the time. I'm an avid reader who likes to have physical copies of books but I also realize that carrying a kindle/kindle app on my phone is a lot.

Free Kindle Book For A Limited Time : The Survival of Marvin Baines - comedic adventure contemporary fiction AN ENDURING STORY OF A WHAT IF Marvin The Survival of Marvin Baines has 21 ratings and 8 reviews. Caleb said: There's something to be said for reading a book at exactly the right time. The Su of Marvin Baines by Michael Meyer. Humorous Midlife Fiction. \$0.99 <http://ebook-deals/the-survival-of-marvin-baines-by-michael-meyer>

The Survival of Marvin Baines Oh no! A decade birthday is approaching, one with a big 0 in it, and he's losing it. Wake-up call required. Coulda. Woulda.
