

# Read, Paint, and Play Dolphins (Brighter Child: Read, Paint, and Play)

Creative learning begins with creative play! With the Dolphins Read, Paint, and Play Book and Activity Kit, kids will learn while having fun! Children read about dolphins, play and learn by completing fun activities, and paint a three-dimensional canvas featuring the animal. The 64-page book is bursting with creative activities and fact-filled passages about dolphins and other ocean-dwelling mammals, their habits, and their environments. Made from recycled materials, the 3-D canvas with attached easel will become a treasured keepsake for years to come. The color reference sheet and the practice sheets allow children to sharpen their skills before painting on the canvas. The kit also includes six non-toxic paints in an array of colors, as well as paintbrushes so children can easily complete their masterpieces.
