

Fine Art Studio: Painting

Have you ever dreamed of painting a masterpiece? With this new Fine Art Studio Painting kit, you'll get everything you need to feel confident with a paintbrush. This unique, all-inclusive kit is filled with detailed illustrations, photographs and diagrams, and includes seven tubes of acrylic paint, three brushes, a spatula, two acetate overlays, and five sheets of paper. There is a detailed introduction to the medium and its techniques, and after the groundwork has been established, aspiring painters get to practice creating a still life, an impressionist landscape, a portrait, and an abstract painting. This beautifully designed book also features the inspiring works of some great painters, including Monet, Matisse and Frankenthaler. Fine Art Studio Painting is designed to help novice and seasoned artists alike, so any aspiring artist can hone their skills.

I used this primary palette for 6 years both in the studio and en plein air. It taught me a lot about relative temperature, values, and saturation.
