

# Leprechaun Stories: The Fantastic Adventures of Tink, Jing and Nastee

Tink, a leprechaun with the belief in goodness of people, is ever optimistic. He never fails in sharing his beliefs and even making bets on the goodness of people, despite Nastees persistent pessimism. Nastee never misses a trick to undo whatever goodness that can be undone. Along with Jing the beautiful elfin music sprite, the three of them battle Nazis, lions, and gremlins, as they make their way unseen in the world of humans. Originally published in the 1940s, these five stories by William P. McGivern, offer joyful escapist fun for kids and adults alike.
