

Looking for Mr. Right is one fun and sexy read! Top that off with a darn good plot that has plenty of fun twists, and a writing style that pulls you right in, and you have a romance story you won't want to end! Well done, Ms. Wallace! Brandon Right is instantly attracted to Candy, but there's no time for an affair, and he certainly isn't in the market for a wife! Brandon is a stiff and starchy lawyer who must help footloose and carefree Candy Garland find a husband in three weeks or a Beverly Hills mansion and millions of dollars will fall into the hands of a dead man's undeserving family. Candy knows that a passionate lover exists beneath the cool surface of her newly appointed mentor, but doesn't have time to melt the glacier around his heart. Will they relinquish Mason's fortune for a night of wild passion? What sexy mystery lies in the hidden garden? Will Fred be forgiven? ****Warning: Contains explicit language and erotic love scenes**** What reviewers are saying about Looking For Mr. Right - Candy is a fun heroine who is not the typical stereotype of a librarian heroine. Instead of being a frigid kook, she's all about grabbing life with both hands and her rather kooky outlook only makes her more adorable. Brandon is the typical lawyer with a wild streak that he hides underneath his well-pressed suits, a fun one that complements Candy very well. Their fling is fun, fast, and fluffy. If Looking For Mr. Right aims to entertain, then I'd say that it has done its job very well indeed. Mrs. Giggles As the two different worlds are trying to live together, the reader is enjoying every minute of the couple's misadventures. Looking For Mr. Right exudes enough warmth and charm to be a great, fun read! Mahaira Fatima - Just Erotic Romance Reviews
