

## Blood Witch: Witches Of Etlantium Book 2 (Volume 2)

Blood Witch: the sequel to Water Witch Sarum is under siege and a recovering Alaysha finds herself at the heart of a covert war where even the enemy is unknown. Whether its the father she has spent nineteen years killing for, the witch of flame who promises to teach her control, or the charismatic Yenic who claims to love her, she must ultimately decide who to trust. If only that trust didnt come at such a high price. Blood Witch is book two in the Elemental Magic series, a new adult supernatural fantasy series for women of all ages, but recommended for those over seventeen. Theres a good bit of intrigue, a smidgen of magic, and of course, some steamy romance.
