

The Last Mortal Bond (Chronicles of the Unhewn Throne Book 3)

DEATH IS NEAR, ARMIES ARE GATHERED, AND THE FUTURE RESTS ON A KNIFE-EDGE The Annurian Empire is losing a war on two fronts - and its unclear who is in command. Adare is stationed in the thick of battle and now calls herself Emperor. However, she cant hold back the nomadic Urgul forces for much longer. She needs her brilliant general, Ran il Tornja, but will he betray her again? Her brother Kaden is the true heir, yet hell accept a Republic to save his divided people. And he faces something even more terrible than war. Hes unmasked Ran il Tornja as a remnant of an ancient race who attempted to destroy mankind. The general plans to finish what they started, and is amassing all the power he needs. The empire calls on the Kettral, its toughest soldiers, but their order has been decimated. Its last fighters are in disarray, but could they still turn the tide of war? Most disturbingly of all, capricious gods walk the earth in human guise. And their desires could seal the fate of a world.
