

## Robert Frost's New England

A happy and unexpected coordination of images, linguistic and photographic. -- Jay Parini  
Inspired by the writings of Robert Frost and his view of man and the natural world, professional photographers Betsy and Tom Melvin present beautiful, and sometimes poignant, scenes of the New England landscape in some of its many moods and seasons. Each full-page color photograph is accompanied by a poem, verse, or phrase from Frost which, though often familiar, may provoke us to savor the New England environment anew. The imaginative pairing of photographs and text also conjures up some of the same ambiguity, profundity, and freshness continually offered in Frost's poems.

Frost, one of the nation's most acclaimed poets, whose writings are said to be the epitome of New England, attributed many of his poems to memories from the New England. Robert Frost has long dominated the public image of New England poetry. For many, both inside and outside the region, Frost has come to personify the New England. Though critics traditionally have paid homage to Robert Frost's New England identity by labeling him a regionalist, John Kemp is the first to investigate what was Robert Frost's New England.
