

Lord of the Fire Lands (Tale of the Kings Blades Book 2)

Raider and Wasp have spent five years at Ironhall studying to become Blades, expert swordsmen whose talents stand unmatched. Magic both enhances the Blades fighting skills and binds them to lifelong duty. But when Raider and Wasp are selected to protect the king of Chivial himself, they refuse, an act unprecedented in the living history of the Blades. Now on the run for their treasonous act, the two gifted swordsmen must escape to the Fire Lands, where pirates, monsters, and mixed allegiances wait around every corner. As old hatreds and still fresh tragedies come to light, these young swashbucklers must confront both harsh truths from the past and a present swarming with their would-be brothers at arms seeking vengeance and intending punishment. Dave Duncans Lord of the Fire Lands serves as a splendid sequel and companion to his earlier book The Gilded Chain, and his later Tale of the Kings Blades Sky of Swords.
