

Art Academy: Sculpt It

Free your imagination and express yourself through the exciting world of modern art! Sculpt It, a new hands-on kit in the Art Academy series, is the perfect way for aspiring young artists to learn all about modern sculptors and their revolutionary ideas. Sculpt It comes with all of the basic materials they need to get started: clay, acrylic paints, corrugated cardboard, foil, wire and more. A colorful, 48-page book features ten exciting step-by-step projects so that children can create their own modern masterpieces, such as creating a relief sculpture inspired by Matisse, surreal flowers in the style of Dali, or even a Calder-esque mobile!

We offer a range of sculpture evening classes for all abilities and our superb central London location means we are easily accessible.
