

A Slice of Quietude (Woven Myths Book 1)

The Quietude, a psychic realm accessible by only a select few, is Kats secret for improving her deadly focus. Its how she became a high level Midnight Slicer, an elite assassin. But when she meets Tristien Waef inside the Quietude, Kat knows shes outmatched. Tristien, scarred from head to toe both physically and emotionally, displays unheard-of abilities inside the Quietude! In a rare move, Kat throws caution to the wind, and joins Tristien and her two friends: the battle-hardened Cela and the almost-famous bard Kinjara, in their travels. But will the Midnight Slicers allow Kat to shift allegiances? And can a budding relationship with Kat get Tristien to move beyond her traumatic past? Hey! This book aint about just that! That parts only got you two. interrupts Cela. Its about fightin, drinkin and carousin. You know, slicin! With one arm, the tall warrior slashes her two-handed sword through the air. Tristien sniffs, Fighting and drinking isnt going to sell the book. The more unique aspects will. Presentation factors as well, says Kinjara, bowing. The honor should thus drape across the bards shoulders. Clearing her throat, she stands up, Love and redemption, thrills with chills, devious deities along with myths of yore and lore, build foundations upon which A Slice of Quietude rises... Kat never looks up from sharpening her daggers.

The Quietude, a psychic realm accessible by only a select few, is Kats secret for improving her deadly focus. Its how she became a high level Midnight Slicer, 4 Stars for A Slice of Quietude (Woven Myths #1) by Sharon Cho #FF Tristien sniffs, Fighting and drinking isnt going to sell the book. This is the back of my car. Im realizing that the font is too small but I cant afford to replace it just yet.
