

You Can't Take Your Body to a Repair Shop: A Book About What Makes You Sick

Jam-packed with information -- grown-ups will learn from this book, too! Its written by a doctor with more than thirty years experience treating children and families. The latest addition to the popular You Cant... series focuses on common illnesses that affect children. Fred Ehrlich explains what makes you sick in easy-to-understand prose. He makes distinctions, such as between bacteria and virus, clear. At once engaging and sympathetic, Dr. Ehrlich touches on everyday illnesses such as: tummy aches, vomiting, diarrhea, colds and flu, warts and pimples, and various allergies. In the time-tested format that made You Cant Taste a Pickle with Your Ear so funny, the book includes humorous verse to complement the matter-of-fact text and is delightfully punctuated by Amanda Haleys madcap illustrations to ensure a tone that is at once light and reassuring. In fact, Dr. Ehrlich is careful not to frighten children, reminding us all that most of the time our bodies work just fine, and that even when were sick, our bodies usually get well by themselves.
