

Siren (The Siren Series Book 1)

The day Inara learns that she's a monster, is the day the hunters come. They want her dead. She doesn't understand the hatred. She never asked for the monstrous gifts that she was born with. Aaron, a skilled assassin is determined to end her life. The only place for monsters is the kiss of his blade. But fate will place Inara's survival on him. In a land of Gods and mortals, two enemies will question their goals. Survive together, or kill alone.
