

## Spirit of the Ronin (The Ronin Trilogy Book 3)

A CLASH OF HONOR, LOVE, AND AMBITION In thirteenth-century Japan, the ronin Kenishi's fondest wish has been granted—he has found service with a powerful samurai lord. But the underworld crime boss known as Green Tiger lurks in the shadows of Lord Tsunetomo's retinue, and Kenishi's honor is tested when he learns his new master is married to Kazuko, the only woman he has ever loved. His unknown lineage holds dangerous secrets that could destroy him, and only his sword, the magical relic called Silver Crane, holds the key to his past and his future. With enemies, temptation, and strife assailing him on all sides, Kenishi's very soul falls into jeopardy—even as Khubilai Khan's Mongol hordes plot their next attack. Can Kenishi defeat Green Tiger, defend his homeland from the barbarian invaders, and remain true to his heart, his lord, and his honor? If you love romance, intrigue, and action on an epic scale, don't miss this stunning climax to the Ronin Trilogy.
