

The Rover: Full Text and Introduction (NHB Drama Classics)

In a collaboration between the BBC and the Womens Playhouse Trust, this is an opportunity to see the stage production of Aphra Behns restoration comedy on video. The play chronicles the adventures and misadventures of a group of British cavalier mercenaries in Naples at carnival time. A robust, dynamic and sometimes brutal look at relationships, sexual desires and sexual favours. Included are interviews with Jules Wright, WPT director, and a discussion of the translation from stage to screen.
