

The Bird King: An Artists Notebook

A new book of sketches, artwork, and personal reflection from the brilliant mind of award-winning, bestselling author and illustrator Shaun Tan. I'm often wary of using the word inspiration to introduce my work -- it sounds too much like a sun shower from the heavens, absorbed by a passive individual enjoying an especially receptive moment. While that may be the case on rare occasions, the reality is usually far more prosaic. Staring at a blank piece of paper, I can't think of anything original. I feel utterly uninspired and unreceptive. It's the familiar malaise of artists' block and in such circumstances there is only one thing to do: just start drawing. -- Shaun Tan

And when Shaun Tan starts drawing, the results are stunning. In *THE BIRD KING: AN ARTISTS NOTEBOOK*, we find a window into the creative process: the stops and starts, the ideas that never took off, and the ones that grew into something much bigger. Fans of *THE ARRIVAL* will recognize the quirky, surreal sensibility that is so distinctly Shaun Tan in this stunning collection, and gain insight into how his many gorgeous books were made.
