

The Descendant: The Descendant Vampire Series Book 1

Mortal death or eternal damnation? If those were your choices, which would you choose? Allison Carmichael is frustrated with the doctors who can't diagnose her seemingly common ailments. Her frustrations are further compounded by her inability to discover her life's calling, a purpose she desperately desires yet which has eluded her for thirty years. A car wreck throws Allison into a life she doesn't recognize filled with vampires, centuries-old secrets, betrayal, and vengeful enemies she never knew existed. When Allison discovers the source of her ailments and the truth about her biblical lineage, she wishes she hadn't searched so hard for the answers she thought she wanted. Faced with an impossible decision: sacrifice her mortal life or damn her soul for eternity which will Allison choose? And can she decide before the choice is made for her? **THE DESCENDANT** A Vampire Tale of Biblical Proportions!
