

Holiday Hearts: The Holiday Romances Series

WANT LOTS OF CHEER FOR THE END OF THE YEAR? From Halloween to Valentine's Day, here are four heart-warming and fun romances from Portia Perotti to fill your holidays with lots of laughter and love! **A GHOST OF A CHANCE** - What happens when Katie Jones is stranded for the weekend with a reclusive novelist and his fiendishly clever ghost? Marooned with a scatterbrained female who talks to herself, Noah Kincaid finds himself facing a terrifyingly beautiful distraction he doesn't need. His unwanted house guest is too sassy, too gorgeous, too everything he ever wanted in a woman, and far too engaged to another man. Still, he can't seem to stop thinking about her even with a three-day deadline looming and absolutely no clue what the last chapter of his latest story should be. But, for his invisible housemate, the stakes are even higher... Stuck in the hauntingly lonely realm of in-between, where he was destined to remain until he ensured his human would not follow in his own disastrous footsteps, Jeremy had three days to convince Katie she felt more for his master than she did her snobbish, self-centered fiancée. Even with a little help from Mother Nature and good old Murphy's Law, Jeremy knows he only has a ghost of a chance to pull off a perfect end to the Katie and Noah story. **ALL THE LITTLE THINGS** - Olivia Beechum has spent most of her life trying in vain to be important. From the ballet classes and beauty pageants of her youth to please her mother to the years of college where she learned graphic design to make her father proud, she has done everything she knows how to do to make herself mean something to someone. But it all goes down the drain when she loses her acceptable job and her acceptable apartment and is forced into menial labor as a bookstore clerk at Mannings Manuscripts & More - a local book shop run by the most gorgeous man alive.

Introduced through their mutual friend, Emily, Olivia becomes the employee and flat-mate of Parker Manning - the most amazing guy ever, if Emily is to be believed. But the truth is, Parker has some issues of his own. All his life, Parker has had difficulty coming to terms with people choosing to walk out on him. Despite knowing the good things he feels with Olivia cant last, Parker selflessly opens both heart and home to her while hoping against hope he can find a way to convince her to stay.

12 CHARMS OF CHRISTMAS - Erin White and Alex Whittaker have known each other for years. Alex has been in love with Erin for most of them, but hes kept quiet about his one-sided affection for fear of the Ultimate Rejection. But just when he decides it is time to lock his fears away and confess how he feels, someone else seems to have beaten him to the punch - a secret admirer who has obviously figured out just how much Erin loves cheese - the romantic kind, anyway. Meanwhile, Erin is having mixed feelings about it all. On the one hand theres someone out there - someone she undoubtedly knows - who likes her enough to send her the most beautiful charms and the sweetest, most romantical cheesy notes that do everything to make her think of Alex and nothing to inspire thoughts or feelings about the sender, and on the other, well, on the other hand theres Alex, the real reason for her mixed feelings. Christmas is coming up, and with it, secrets are sure to be revealed. But will it be enough to bridge the gap between the two clueless would-be lovers?

VALENTINE FOREVER - Leigha Godwin wants two things in life: to be someones valentine and for Grayson Hayes, her best friend since college, to be that someone. Meanwhile, Grayson wants nothing more than to make Leigha his. Knowing she has long wanted to be someones valentine he takes a chance and asks her to be his. How will this Valentines Day end?
