

Vampire Unleashed (Kings Blood Book 2)

Jack King is still in Hong Kong on a business trip that's turning into a spy versus spy adventure. Unexpectedly, his would-be girlfriend, Holly, is in Hong Kong, too, and wants to meet up. Will their second date be a comedy of errors like the first one? Can Jack hold his vampire hunger in check when Holly's at her most vulnerable? Things with Jack's business trip begin to spiral out of control when Ted, Jack's co-worker and translator, goes missing. Jack is about to discover that his powerful adversaries play for keeps...and they play for blood. His blood. Jack is about to find himself in the fight of his life.
