

The Secrets Dragons Keep (The Dragons of Kudare) (Volume 2)

Outcast from the temple, brothers Caden and Deshic journey with their family to the Plains of Fire to seek absolution for their crimes. There they endure cruel punishments under the unrelenting eye of the woman who rules over every soul at the temple compound. When the faithful true plans for their sister, Rane, come to light, she and Caden flee to dragon territory in search of help. They must act before time runs out to save Deshic and their parents from unthinkable horrors. But the elder dragon lord has troubles of his own that could unbalance the races and spell the end to a peace accord that has lasted for centuries.
