

Saving Fate

The action-packed heroic fantasy saga of a boy looking for his mom with the help of one tough female warrior. The adopted son of an earl, Mark fears he will never live up to his father's expectations. But when he learns his mother is a famous warrior who once saved their country from barbarian invasion, he sets out to meet her and become more than the underachiever he no longer wants to be. Joined by wild and brazen warrior princess Ann, Mark travels through barbarian lands and cursed wastes while ever hounded by the minions of an evil duke who plans to kidnap him to control his father. Will timid Mark find the strength to survive endless mercenaries, demonic shrubs, an awkward romance with the more experienced Ann, and the duke's conniving son who just happens to be named Marcus? A full length novel.

So whenever I try to save click F1 or F8 it just registers as a mouse click. I can save in the beginning of the game, before choosing my path, but I reached 30 quartz again last night and tried one more time for Saber Alter. Didn't get her sadly, but I think now I'll be hoarding all my quartz for Having this problem recently. Stuck on Saving after loading a game. I don't want to lose my progress how do I fix this? I've tried the delete local Fate of the World is a dramatic global strategy game that puts all our futures in your hands.
