

The First Joseph Conrads Collected Works: Almayers Folly, Heart of Darkness, Lord Jim, and More! (27 Works)

Joseph Conrad was a Polish author who wrote in English after settling in England. He was granted British nationality in 1886, but always considered himself a Pole. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties (and always with a marked accent). He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe.
