

Tyrants Blood: Book 2 of the Valisar Trilogy

Two words on the cover Fiona McIntosh always let me know I'm in for a good read. Robin Hobb Fiona McIntosh is a new Big Name in Epic fantasy and now she continues her remarkable Valisar Trilogy with Tyrants Blood, a breathtaking tale of heritage, vengeance, and destiny that returns readers to the world of violence and intrigue she introduced in Royal Exile. The story of the last remaining Valisar prince who must avenge the craven slaughter of his entire family, Tyrants Blood delivers on the promise of McIntosh's earlier works from Myrren's Gift through the exceptional Percheron Saga. Tyrants Blood is another action-packed treat for anyone who loves adventuring in Raymond E. Feist's Midkemia or thrills to the dangerous wonders alive in the fantasy of Sara Douglass.
