

## Saving Grace

When fifteen-year-old Grace Stanleys brother is killed in a car accident, she does what any typical girl would do--she loses it. She blames herself, denounces God, and gives up on school, her friends, and her churchgoing family. Then along comes a saintly and nerdy new girl, Philomena, who literally saves Graces life and helps her find her way back to herself.

saving grace definition: a good quality that something or someone has that stops it, him, or her from being completely bad: .
