the Painting, of the renowned Lionardo of  
Vinci fact firstly into Paris the year 1651.  
from Rafaello Trichet from Fresne with the  
Figures designate from the hands talented  
of Poussin, and of the Errard (Wander), not  
due to the many editions afterwards that  
give, and the translation in order to also  
into various languages, being become rare,  
and from many therefore sought-after, me  
they are determined of reproduce, and in  
the same form of the Architecture,  
Painting, and Statue of Leon Battista  
Alberti, not many years they are, from me  
postpone to the light, proceed thus the  
launch reprinting of the Books more rare,  
and more advantage provided that  
negotiate of the three noble Arts  
Architecture, Painting, and Sculpture. Of  
the utility of this Work not occurs make  
advances at this point promise, being  
conceder sufficiently. Which that of it say  
the Bosse (Boffe) in his Treatise of  
Perspective, the Book is all scattered of  
admonishment, and of the teachings not in  
order to holy thursday fly, but necessary to  
the studies of the Art of the Paint, and of  
the Design. One experience, is true, the  
scholarly Author not contain into all  
perfection, be intended no things repeated,  
and other not declare sufficiently, same as  
of it advise despite the from Fresne same in  
the his Letter to the Bourdelot Doctor of  
the Queen Christina of Sweden, to the such  
as dedicated the Book, which here to see  
printed; however not pertain despite such  
any is the Book usefulness, and deserving  
delivery of one grand Master. Into these  
reprinting I have redirect into all the  
mentioned edition of Paris of the 1651. Just  
like it most perfect, and most accreditation,  
and hope not suspect to appear to a lesser  
extent agree to of the above-mentioned of  
Leon Battista Alberti. Enjoy the good spirit  
that I have of jovial, and anticipate even if  
next to of see proceed the commence my

endeavor, since other Works I have ready of grave Author, which not you make to a lesser extent dear of these that I have already make public.
