

Walter the Chancellors vivid first-hand account of the wars between the Muslims and the principality of Antioch in the early 12th century describes a less well-known period in the history of the Crusades, and provides a useful counterpart to the usual focus on Jerusalem. It is here presented for the first time in English, along with a selection of comparative sources and an important introduction assessing the works place in the historiography of the Crusader states, and analysing the military campaigns it details. As a highly-placed Antiochene official, Walter was able to write the most authoritative account of the principalitys fortunes and internal workings, and his book also sheds light on the relationship between Latin settlement in the Levant and contemporary Western perceptions of Islam and Eastern Christianity.

Runaway, The World of Whimble Whimsy: Fanciful Fabric Projects for the Heart & Home, Aprendiz de diosa (Darkiss) (Spanish Edition), Criminal Law, Ninth Edition (John C. Klotter Justice Administration Legal Series) 9th (ninth) edition, State Of Attack (a Tom Dupree novel, Book 2, Book 2), Medievalist Comics and the American Century, Campbell Essential Biology with Physiology (3rd Edition), Visionary Compacts (Wisconsin Project on American Writers), THE WOMAN OF THE CROWD: Urban displacement and failed encounters in surrealist and postmodern writing. (Postmodern Studies 28), Will Smith (Galaxy of Superstars),
