

West of Ireland Summers: Recipes and Memories from an Irish Childhood

WEST OF IRELAND SUMMERS: A COOKBOOK is a celebration of food. In this vivid account of summers spent in the remote beauty of the west of Ireland Tamasin Day-Lewis rekindles the sights, sounds, smells and, above all, the tastes of her family holidays since childhood. Tamasin Day-Lewis's passion for cooking is evident in more than 100 dishes; some traditional Irish recipes, some recapturing the tastes of her childhood and others created by Tamasin herself. These combined with stunning photographs and a lively text make this a truly irresistible cookery book.
